1 Identification of substance Trade name: SPRUCE BLACK PRIMER 0000980016 **Product code:** SEYMOUR OF SYCAMORE Manufacturer/Supplier: 917 Crosby Avenue Sycamore, IL 60178 (815)-895-9101, www.seymourpaint.com **Information department:** Health & Safety Department CHEMTEL 1-800-255-3924, 813-248-0585 if located outside the U.S. **Emergency information:** 2 Composition/Data on components **Chemical Description:** This product is a mixture of the substances listed below with nonhazardous additions. **Dangerous components:** K Xi, K F; R 11-36-66-67 67-64-1 acetone 26.19% 74-98-6 propane K F+; R 12 13.87% 106-97-8 n-butane K F+; R 12 8.15% 64742-89-8 VM&P Naptha R Xn; R 20/22 5.91% **R** Xi; R 37 14807-96-6 Talc (Mg3H2(SiO3)4) 4.85% K Xn; R 10-20/21-38 4.32% 1330-20-7 xylene (mix) K F; R 11 64-17-5 ethyl alcohol 4.31% 108-88-3 toluene K Xn, K F; R 11-20 4.11% R Xi; R 10-36-66-67 123-86-4 n-butyl acetate 3.51% 64742-47-8 Mineral Spirits _R Xn, _N F; R 11-65 1.84% 108-65-6 PM acetate _R Xi; R 10-36 1.78% 110-19-0 isobutyl acetate _N F; R 11-66 1.75% 67-63-0 isopropyl alcohol K Xi, K F; R 11-36-67 1.23% Additional information: For the wording of the listed risk phrases refer to section 3. **3 Hazards identification** Hazard description: Xi Irritant Κ F+ Extremely flammable Warning! Pressurized container. Keep away from heat, sparks, and flame. **Physical dangers:** Has a narcotizing effect. Extremely flammable. R 12 R 36/37 Irritating to eyes and respiratory system. R 67 Vapours may cause drowsiness and dizziness Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C, i.e. electric lights. Do not pierce or burn, even after use. Keep out of the reach of children. **Effects of short-term** overexposure: Causes irritation to the eyes, nose, throat, skin, and central nervous system. Symptoms may include dizziness, throat irritation, headache, fatigue, swelling of eyes, and nausea. **Effects of chronic** May cause permanent brain and nervous system damage. Repeated overexposure can also damage overexposure: kidneys, lungs, liver, heart, and blood. Intentional misuse by deliberately inhaling the contents may be harmful or fatal. **NFPA ratings (scale 0 - 4):** Health = - 1 Fire = 4 Reactivity = 3HMIS-ratings (scale 0 - 4): Health= 1 4 Fire= Physical Hazard= 3 **4** First aid measures After inhalation: If breathing is difficult, administer oxygen. Remove contaminated clothing. Wash exposed area with soap and water. After skin contact: Move to fresh air. Rinse opened eye for several minutes under running water. If symptoms persist, After eye contact: consult a doctor. After swallowing: Contact physician or poison control center.

Trade name: SPRUCE BLACK PRIMER

Reviewed on 11/17/2004

Fire fighting measures		
Extinguishing agents:	CO2, sand, extinguishing powder, or water spray. Fight larger fires with water spray or alcohol resista	
Duataativa aquinmante	foam.	
Protective equipment:	No special measures required.	
Accidental release meas	ures	
Personal safety		
precautions: Environmental safety	Wear protective equipment. Keep unprotected persons away.	
precautions:	Do not allow product to reach sewage systems or ground water. Inform appropriate authorities in case of seepage into water course or sewage system.	
Measures for cleaning/ collecting:	Do not flush with water or aqueous cleansing agents. Use diluted caustic solution. Soak up spil inert absorbent material. Refer to section 13 for disposal information.	
Handling and storage		
Fire/explosion protection:	Do not spray on a naked flame or any incandescent material.	
	Do not smoke. Protect from electrostatic charges.	
Storage requirements:	Observe pressurized container storage regulations. Consult with your local authorities. Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions.

Protective hygienic							
measures:	Keep away from foodstuffs and animal feed. Wash hands after use.						
Breathing equipment:	A respirator is generally not necessary when using this product outdoors or in large open areas. In cases						
	of inadequate ventilation, a respiratory protective device should be worn to prevent overexposure.						
	Use suitable respiratory protective device in case of insufficient ventilation.						
Protection of hands:	Protective gloves. The glove material has to be impermeable and resistant to the substance. No glove						
	recommendation can be given.						
Eye protection:	Tightly sealed goggles						
9 Physical and chemical	properties:						
General Information:							
Form:	Aerosol						
Color:	According to trade name description in section 1.						
01							

Form: Color: Odor: Boiling point/Boiling range:	Aerosol According to trade name description in section 1. Solvent -44°C (-47°F)
Flash point:	-19°C (-2°F)
Ignition temperature:	365.0°C (689°F)
Auto igniting:	Product is not self-igniting.
Danger of explosion: Lower Explosion Limit: Upper Explosion Limit: Vapor Pressure:	Stable at normal temperatures. Can may burst when exposed to temperatures exceeding 120 degrees fahrenheit. In use, may form flammable/explosive vapour-air mixture. 1.7 Vol % 13.0 Vol % 40 PSI, 2750 hPa
Density: Specific Gravity:	Not determined. Between 0.77 and 0.90 (Water equals 1.00)
VOC content: VOC in weight percent (less acetor	0.52 kg/l / 4.35 lb/gl ne): 52.1 %
Solids content:	21.2 %

10 Stability and reactivity:

Conditions to be avoided:
Possibility of Hazardous
Reactions:Do not allow the can to exceed 120 degrees Fahrenheit. Stable at normal temperatures.No dangerous reactions known.

11 Toxicological information:

Primary effect on the skin: No irritant effect. **Primary effect on the eye:** Irritating effect.

Material Safety Data Sheet acc. to ISO/DIS 11014

Printing date 01/04/2005

Reviewed on 11/17/2004

Trade name: SPRUCE BLACK PRIMER

	ACGIH TI	LVs:	A1-designates a confirmed human carcinogen. A2-designates a suspected human carcinogen. A3-designates an animal carcinogen. A4-designates "not classifiable as a human carcinogen".	(Contd. of page 4)
	67-64-1	acetone	A4	
	1330-20-7	xylene (mix)	A4	
	64-17-5	ethyl alcohol	A4	
	108-88-3	toluene	A4	
	110-19-0	isobutyl acetate	A4	
NIOSH:				
	1333-86-4	Carbon black
